- Who did Daniel love more than anyone?
- How did that get him into trouble?
- What choices did Daniel have?
- How did Daniel respond to being in trouble?
- What did God do?
- Would you carry on praying to God if you knew you would be thrown to the lions?
- What choices might you have to make?
- Do you think God is with you and protects you when you make scary choices?

As a family, share stories of times when you have had to make scary or tricky choices, for example: telling a friend to stop being mean to someone.

- How did you feel?
- How did you make your choice?
- What were the consequences?

What choices might you need to make in the future and what can you do to help you make the right choice?

- Read the bible
- Pray about it
- Trust in God
- Talk about it with someone you trust
