

God is always with us

Douglas Talks

You could make a prayer jar or journal, where you could write or draw a picture of a worry and place in the journal or jar. Talk to God or ask an adult to pray with you about your worry, asking God to be with you. Look back at what you draw or write and thank God that he is with you always.

Songs

Activity

God is always with us, whether we are at home, school, the park, the dentist... God is with us in the times we are happy or excited and in places where we may feel scared or afraid. Draw pictures or find photographs of places in your life to remember that God is always with you.

	...I am with you always... Matthew 28:20	

Maze activity

God knows where we are and even if we feel lost, we can pray to God and know we are not alone.
