

## Goodness craft

This week we are going to make this Jonah craft to remind us about Jonah being in the big fish. The story reminds us that we need to be good, listen to God and do what's right even when we don't really want to!

Sorry if the template isn't ideal, you could draw your own if you prefer. Ask your child to colour in the fish and Jonah, then fold around where the teeth are and you can hide Jonah inside the fish!

Like this:

Your child could write this verse on their page: 'Let us not grow weary of doing good' Galatians 6:9
