

Joy crafts

One option is to make a joy bracelet using beads and a pipe cleaner / thread if you have some.

We will be looking at the story of the prodigal son in the physical Sunday School session. The younger son in the story chases after joy in the wrong places before realising he needed to come home. Lots of people find happiness in different places, but true joy is found in Jesus.

Print off this colouring sheet (PDF below), colour it in and then fold the sides into the middle.

When your sheet looks like this, write this memory verse on it
'You have filled my heart with great joy' Psalm 4:7
