

Loving others craft

1. Decorate or colour the large heart and cut out.
2. Think of people you can show love to and write their name on a small heart.
3. Cut out the small hearts.
4. Cut strips of paper and attach to the large heart so they dangle.
5. Cut and stick the small hearts to the strips of paper so they dangle like a mobile from the large heart.

God loves us so we
should love others.

1 John 4:11
